Dear Mr. Woods:

Please be informed that the subject parcel was the object of an actual field survey performed in accordance with acceptable professional standards under my direct supervision on December 11, 2002.

This confirmation survey was made for the exclusive use of the present owners of the subject parcel and also those who purchase, mortgage or guarantee the title thereto within one year of the date hereof and as to those parties I certify that to the best of my knowledge, information and belief all corner monuments were found or replaced in positions acceptably close to the positions called for by the map of the Ka'ono'ulu Estates-Phase 1 (File Plan 2075), as shown on the attached exhibit. Further, during the course of this survey, no encroachments were noted.
